

1 What you need to get started

- Your Trust ID & password - this is all you need to access electronic resources.
- [Activate LibKey Nomad](#) on your browser.

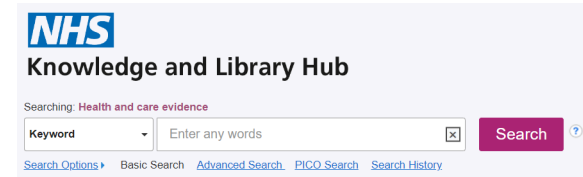

- Join the library - to borrow books and access inter-library loans.

[Join the library](#)

2 Find a book or article

Search for specific titles or browse a subject area via the **Knowledge & Library Hub**.

Access the Hub via the link below:

library.nhs.uk/torbay

3 Keep up-to-date

Browse the journals that we have via [BrowZine](#). Save your favourite titles and set up email alerts when new issues are published.

Welcome to
BrowZine

Set up a regular tailored **Evidence Update** using KnowledgeShare.

4 Brush up on your info skills

Not sure where to start searching, or how to do a more in-depth evidence search?

We offer one-to-one or group training tailored to your needs. We can also show you where to find more specialised training, for example on critical appraisal.

[Book a training session](#)

5 Request an evidence search

Our expert library team can save you time by searching the literature for you to identify relevant, up-to-date, high quality evidence.

Whether it's for patient care, service improvement, research, guideline development, or audit, we're happy to help.
